Honey & Honey Drops

"HONEY" Though it sounds like something sweet, it's actually the love for a student from the normal class who has to survive a member of the wealthy class (aka, Kana-ko). While working part-time over the summer, Yuzuru gets into trouble with Kana, a Kagawa member. What awaits Yuzuru on the first day of the new semester? A dead-end opponent Yuzuru to be his "Honey" just to take revenge on Yuzuru. Yuzuru really has to take care of a selfish boy like Kana. What's with this whole Honey System anyway?

"Honey & Honey Drops" Comic

WELCOME

Hello! This is Maren Kansen.

'Mara x Mara Drops' Volume 1 is finally released! It's so surreal, I remember the day when I didn't get answers from the publisher of my comic, back in 'Lan-Shay Wolf' ('Lan-Shay' = Lanis, Gray Gray)

I would absolutely Karsen who did an awesome job with the letters for 'Lan-Shay' to do the letter design for this volume! I haven't seen the completed cover yet, so I'm very excited. I can't wait!

Now, writing this manga has actually been very challenging for me, though it might not seem that way. That's why I'm always so stressed out (lol)! It's because there are so many characters in this manga. Even so, I'm very happy to be doing a lot of things that I've always wanted to do. For example, one of my characters is a long-haired man (very cool). You don't really find them in ordinary high-school life stories. And there's also a lot of more...

I believe that you'll be able to find something that you like in this manga, though it's very different from my usual simple and straightforward style. "Sweet!"

There's also a special Drama CD that's being planned for release. It will come out around the same time as 'Mara x Mara Drops' Volume 2 in a month's time. In other words, volumes 1 + 2 are being released over two consecutive months! Isn't that amazing?

Anyway, I do my best to make this manga enjoyable to you, so please check it out!

I would be very pleased if you enjoy reading this volume.

# VOICE

You may already know that since Akito & Akira had already appeared in *Die-Crew* magazine as actors and voice, such as CD and DVD (chip-camera), but the voice actors who play the characters are...

Hagino Yoharu ~~~~~ Fukaya, Motoyoshi!!  
Ranga Kai ~~~~~ Sugawara, Kousuke-san!!

They are way better than I deserve... But, they were selected from among the many script candidates based on my own judgment. Well! Just who do I think I am?

I've really fallen out of touch with anime lately... Great pretty famous people were named as candidates, but I had no idea who they were. I had only the voice samples to go by, so I truly selected them based solely on their voices without any sort of preconceived bias.

Now, when I listen to the completed CD I go crazy Go? Yoharu is just so cute and Kai is so funny. When I listened to the dialogue after the recording... Well... I was totally giddy and couldn't stop laughing. And I was really amazed. The script was expressing different emotions from what I had imagined when I wrote the dialogue. It was a new experience for me. The way the script delivered their best really conveyed the complicated feelings of the characters. In any case, the yearning inside me to become a scripter has steadily increased of late Go? I wonder if I've started to understand a little bit because I've been checking out a lot of anime recently.

Well! My knowledge of anime had stopped after *Ranma 1/2*.  
But... I remember, years ago was that? Or

The basic concept of *Archie & Melvin* is the "honey and warrior" pair. To those of you who have read my previous *Power Council*, it might say who your head that it resembles the "warrior" from *Perfect Warrior*. But the "honey and warrior" pair is not about a heterosexual relationship, but more about two people sharing joint responsibility. The *Archie & Melvin* duo have been at grasping straws by now, so I have strange Gif's events and moments placed in the future with their grumpy.

Anyway, for the series *Archie & Melvin*, I want *Archie & Melvin*, the title was unfortunately changed as time takes the *Archie & Melvin*. In when the title was chosen, I had it was decided on the concept of "honey and warrior" yet. And when I think about the fact that the title of our series are decided like this-

### 3

I was originally going to call this chapter "Last Minute Drop" (without "Heavy Drop"). But upon the introduction this week's new Characters "Extreme Heavy" or "Quadruple" which would've been too cute at all. It doesn't like something a girl's head say? (Gasp!)

It was my manager who suggested that we change the title to "Introduction" (Heavydrop). On the other hand, and after your quick input in this chapter's end notes from the title to be he he! I've accepted it all till now then. There was an anxiety in the title also to use first names rather than that of "Heavy" being heavily pulled around by the all the time? Also I realize that it was actually very close (Gasp!)

Don't you think "Heavy Drop" has a nice ring to it like something out of a pop song? Based on the title you could easily mistake this series as being light-hearted and relaxed, but that's actually wrong! My treatment might be slightly different in Volume 3. I hope you'll look forward to reading it.

"DROP"  
MEANS  
RETEL.

...IN  
OTHER  
WORDS...

IS IT A

INVOLVES

Chelga is introduced halfway through this chapter. He was supposed to be a well-known character (which is why I drew him as a yakuza) with a Koushi friend, but the aspect was dropped. It might have worked if I was from the Kansai region, however; I still don't want him too far distant. Producers (he he) I have no understanding of the Kansai dialect at all. I envy the people who can speak it...

By the way, the sports clubs for the first year of high school submitted for road races. There's no particular meaning behind it, but I just wanted a sport that could be played with four people. It could have been tennis, but I wanted it to be the hero's (that's) favorite sport. I don't expect to lose the way basketball costs, though (lol). Sports have become a mainline in my manga starting with *Chelga* as Koushi. I just feel that guys who love sports are so cool. I love guys who work out.

I DIDN'T ENTER  
UNTIL HIGH  
SCHOOL,  
THOUGH.

I DIDN'T EVEN  
KNOW WHAT IT  
WAS LIKE...

MY  
PARENTS  
JUST ENROLLED  
ME WITHOUT  
ASKING ME.

CHANCELLOR  
SPEAKING,

ENROLLMENT  
INTO KLASIKA  
BEGINS AS  
EARLY AS  
PRESCHOOL  
OR ELEMENTARY SCHOOL.

I DON'T  
ASKEE  
ANYONE TO  
TAKE CARE

WELL, YOU  
WON'T BE A  
STUDENT  
FROM THE  
NORMAL CLASS.

AND THAT  
MEANS  
BECAUSE  
YOUR  
COURAGE.

THAT'S ALL  
YOU NEED.

SO WHEN  
I FOUND OUT  
ABOUT THE  
MAGNET AND  
HONEY SYSTEM,  
I WAS SHOCKED.

WHAT'S A  
HONEY?

I CAN  
TAKE  
CARE OF  
MYSELF.

ISN'T THAT  
THE WAY IT  
SHOULD BE?

YOU  
SHOULD BE

Hey,

Have  
you seen  
Yuzu?

A BASKETBALL

I SAW HIM CARRYING A BASKETBALL EARLIER.

HE TOOK OFF WHEN LUNCH STARTED.

WELL, IF THE HIGH AND MIGHTY ROSEBY IS ACTUALLY GETTING PLAYED FOR ONCE?

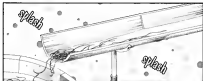

I wonder...

NOPE.

IF ANYONE'S GETTING PLAYED—

IT'S A JOKE.

H-

I've already decided to  
be Chihara-kun's friend.

The third match is about to begin!

Uran Nagi-Honey pair and Renge-Honey pair, please step onto the basketball court!

In the chapter, some of the Nagisa students are introduced, but I haven't really described everything about their characters yet... It's too hard for that! About characterisation and design for 17 Nagisa students! I'm really close when it comes to writing on manga, so it's tough having to draw in every single character... But, I'll try!!

It seems that Nagisa is the most popular Nagisa student! Personally, I like Gengen better, but he hasn't been well-received. The moment that he'll love me more was super funny is when two (names?) Other characters I enjoy drawing are the three boys and their design. The best one has to work on. I wanted to have two play against Kuo, since I like Kuo's face better. But I was afraid his personality would be too close to that, so I had Hag with the driving eye play against this instead... There are times I can't consider the difference between hot and attractive (smile) (giggle)

I wonder  
what being  
pitiless is.

If he  
were like  
they all  
the time.

His looks are  
different when  
he's playing  
basketball.

Say

What's what am  
I thinking?

He really seems  
to be enjoying  
himself.

I have  
to make  
sure we  
lose!

If I stay  
like this, I  
won't only  
lose, but  
I'll be crushed!

YES,  
POUCH-  
BUNN!

WE'LL  
NEVER WIN  
AGAINST  
KAI IF WE  
PLAY FAIR.

AL, PASS

Yikes!  
That's not

me,  
but...

I'll help you  
to the end.

I have  
a plan!

It's because  
there are  
times when  
he's really  
nice to you...

If he's just  
going to push  
me away, then  
what's the  
point in being
